## 5th ANNUAL BARREN RIVER GEOCACHING WEEKEND

**Caching for Clues:** A Mysterious Crime has taken place at Barren River Lake State Resort Park, leaving us all scratching our heads. We need your help to search the park for clues and to solve our mystery.

All CSI's (Cache Scene Investigators) are asked to join us at the **Louie B. Nunn Lodge on Saturday October 23rd at 4:00 p.m.** as we review suspects, places and murder weapons. Meet at the Chili Supper to interrogate the suspects and see who solved the crime.

NEW THIS YEAR!  
Amazing Cache Race!

**Amazing Cache Race:** Are you up for a new challenge? Teams will use their caching skills to find special caches around the park. Once you find the cache, you will be asked to complete a task before being given your clue to the next cache. Miss a cache or don't complete a task and you could wind up lost. Be the first team to find all caches and complete all tasks and you could be the winner. Don't worry, if you aren't up for the amazing cache race, we will still have plenty of special caches for you to find on Sunday.

### New This Year! Amazing Cache Race Barren River Lake State Resort Park

**Date: October 24, 2010**

**Time: 9:00 a.m. to Noon**

**Price: Included in Geocaching  
weekend registration**

A **beginners session** will be held at **8:30 a.m.** for any newcomers to the sport of Geocaching. Barren River Lake State Resort Park staff will give instructions on GPS unit use, navigating the websites, and locating caches on the Park's grounds. The park has a limited number of GPS units. It is recommended you bring your own unit.

Our annual **chili supper** will be held on Saturday night at the Glasgow Highland Game shelter (near the park entrance) at **7:00**. We will provide the chili, crackers and drinks. We ask that you bring a small item such as chips, cookies, etc. to complete the supper.

Following the chili supper we will have our traditional **haunted night cache**—this year it will be on a portion of our new trail that is under construction. Bring a flashlight and a sense of adventure

Special event caches will be placed throughout the park for you to find on Saturday and Sunday—so come prepared for a full weekend of caching!!
